

Capitalflow is on the lookout

FOR A NEW Business Analyst

to join our growing team

People working together to make a difference is what Capitalflow is all about – we work hard to support each other and to support our customers through thick and thin.

This is what makes us a business lender like no other. Put simply, we are all about people, building relationships, and going the distance together.

Do you want to join us on our quest to transform business lending by putting people first in everything we do?

Continuing our exciting growth journey, we have a new opportunity for a Business Analyst to join our Business and IT teams.

In this role, you will be part of our expanding digital team and report to the Director of IT. You will work with other teams to understand what services are planned to be offered, and with customers to understand their needs. We want someone who will continue to iterate on the various user journeys to make them simpler and faster to increase the funnel outputs. You will help develop training guides for Users to ensure they are comfortable with any new features being delivered.

IF YOU ENJOY A FAST ENVIRONMENT, EXCEL IN BUILDING RELATIONSHIPS BOTH INTERNAL AND EXTERNAL, THRIVE IN A TEAM ENVIRONMENT AND YOU HAVE STRONG ATTENTION TO DETAIL WE WOULD LOVE TO HEAR FROM YOU!

WHAT YOU'LL BE DOING ...

- Meeting with various Business Units to discuss current pain points, as well as future plans, and translate them to software or system requirements
- Drafting requirements for the developer to add additional capabilities to our expanding IT systems
- Participating in agile and refinement sessions with the development team to add more details to the work they need to do
- Meeting designers to go over the design of new pages we are going to build and give them feedback
- Assisting with rollout and successful adoption of change through training and communications
- Live by Capitalflow's policies and procedures and represent the Capitalflow brand and team
- Be ambitious to find solutions for our customers and your team and have an adaptive and flexible approach

OTHER THINGS WE'D NEED FROM YOU...

- Experience in a financial environment would be an advantage
- Develop a strong knowledge of the business
- Keep a strong eye on the detail
- Work as a team player to find solutions/make any improvements
- Keep true to our brand and values and always put people first!

QUALIFICATIONS...

- Qualifications – Third level or QFA /APA would be an advantage
