

**Capitalflow is on the lookout**

FOR A NEW

**CREDIT RISK MANAGER - CRE**

to join our growing team

People working together to make a difference is what Capitalflow is all about – we work hard to support each other and to support our customers through thick and thin

This is what makes us a business lender like no other  
Put simply, we are all about people, building relationships, and going the distance together.

**Do you want to join us on our quest to transform business lending by putting people first in everything we do?**

As Capitalflow is growing we have an opportunity to expand our Credit team who work hand in hand with our Lending and Sales Support Teams to ensure service excellence for our valued customers across the country. You will be part of a team embedding a strong credit culture and will implement a best-in-class approach to credit risk management. You will assess and evaluate commercial property proposals, manage credit risk reviews and contribute to projects and initiatives, including regulatory change and audit.

**IF YOU ENJOY A FAST ENVIRONMENT, EXCEL IN BUILDING RELATIONSHIPS BOTH INTERNAL AND EXTERNAL, THRIVE IN A TEAM ENVIRONMENT AND YOU HAVE STRONG ATTENTION TO DETAIL WE WOULD LOVE TO HEAR FROM YOU!**

## WHAT YOU'LL BE DOING ...

- Supporting the Senior Risk Manager in the efficient processing of credit applications and client reviews.
- Decisioning commercial property application proposals within a credit delegation and review credit applications for Credit Committee.
- Providing credit guidance/mentoring to both your own team and the Commercial Property Team.
- Inputting to the monthly portfolio review sessions and support credit policy reviews.
- Keeping up to date with all the regulatory requirements for Capitalflow and bunq and develop effective working relationships with other credit, risk, and business line functions.

## OTHER THINGS WE'D NEED FROM YOU...

- Experience – Minimum 3 – 5 years commercial property and credit risk management experience is essential. Working knowledge and experience of credit regulatory requirements.

## QUALIFICATIONS...

- Degree in business/finance or accounting. A professional qualification (ACA/ACCA/etc), APA/QFA will be a distinct advantage.
