

## Business Support Executive – Asset Finance

Join the Capitalflow team where collaboration and making a difference are at the heart of what we do. At Capitalflow, we're not just a business lender; we're a tight-knit community that works hard to support each other and our customers through every challenge.

Are you a dynamic individual ready to embark on a journey that transforms business lending by prioritizing people? We're looking for energetic individuals who want to be a part of our exciting growth story.

### Your Opportunity; Asset Finance Lending Team

As a part of our Asset Finance Lending Team, you'll play a crucial role in processing and completing new and existing business proposals for your dedicated geographical area. This is not just a job; it's a chance to grow with us and develop into a key player in business lending.

### What You'll be Doing & Need Experience in:

- You will be processing new business proposals from Lending Directors, Brokers & Dealers, and our valued business customers for Commercial, Asset Finance and Motor Finance products.
- Managing customer queries with a focus on understanding and meeting their needs.
- Assisting in onboarding new dealers and brokers, building strong relationships along the way.
- Providing regular updates to Lending Directors, ensuring smooth communication and progression.
- Taking ownership of applications in line with our service level agreements and key performance indicators.
- Collaborating with the AF Sales Support Team and reporting to the AF Senior Lending Operations Manager for guidance and mentorship.

### Key Competencies / Qualifications

- Experience – Minimum 12 months within similar role or working in a busy environment.
- Qualifications – Business degree or equivalent.

- Developing a strong knowledge of the business to contribute meaningfully.
- Proven track record in a financial environment showcasing your expertise.
- An interest in Finance with good attention to detail.
- Enjoy and have experience in a customer service role.

We have a competitive salary and benefits package, with hybrid working and 23 days Annual Leave (Plus Bank Holidays).

If this sounds like a fit for you, don't miss the opportunity to be a part of our innovative team. Email us at [mkirwan@capitalflow.ie](mailto:mkirwan@capitalflow.ie) to explore this exciting role and take the next step in your career journey with Capitalflow. Join us as we revolutionize business lending by putting people first!
